

Kayla McKay Dressage Clinic

March 9th & 10th

Kayla is a USDF Bronze and Silver medalist, L Graduate with Distinction and a successful Grand Prix Rider and Trainer. She has spent the past 14 years at Poulin Dressage in Florida under the instruction of Michael, Sharon, and Gwen Poulin.

Kayla's exposure to only classical principles of dressage centered on the training scale, has truly given her a distinct advantage when developing training plans for horses and students. She has worked with all levels of horses and riders from beginner to Grand Prix, and enjoys working with a variety of breeds.

This clinic will consist of private sessions that are 45 mins long. Riders can choose to ride one day or both days with Kayla. Riding both days will give riders the opportunity to build off of what they learned the full day. Sessions are tailored to support both the rider and horses goals and needs to be successful in their 2024 ventures! This clinic is green horse and green rider friendly. Riders are allowed one groom at no additional charge. All NEJA members will receive free auditing.

One Day \$150

Weekend \$250

Audit One Day \$35

Audit Weekend \$50

Day Dry Stall \$50
